Accents for Outdoor

Gerster Performance Outdoor Tapes / Belts 24-155-44

Accents for Outdoor

Gerster Outdoor Trimmings. Emotional, contrasting, enhancing details. For outdoor furniture. For umbrellas. For outdoor cushions. For outdoor rugs.

Piping. Fringes. Effilées. Ribbons. Straps. At Gerster Trimmings, everything comes from a single source. And everything is Made in Germany.

We use a special high-performance outdoor acrylic yarn. Upon request, a flame-retardant outdoor yarn can also be used.

Gerster Outdoor Trimmings. Emotionale, kontrastreiche, aufwertende Details. Für Outdoor-Möbel. Für Sonnenschirme. Für Outdoor-Kissen. Für Outdoor-Teppiche.

Keder. Fransen. Effilées. Bänder. Gurte. Bei Gerster Trimmings kommt alles aus einer Hand. Und alles ist „Made in Germany“.

Wir verwenden ein spezielles, hochleistungsfähiges Acrylgarn für den Außenbereich. Auf Wunsch kann auch ein flammhemmendes Outdoor-Garn eingesetzt werden.

Performance Outdoor Cords

Gerster Cords. Individual made for You. Beginning at MOQ 100 meters. Examples: 25-09-55

Performance Outdoor Cords

Gerster Outdoor ropes. Durable. Tensile-strong. Custom-designed and manufactured for you starting at a minimum order quantity of 100 meters. Dimensions. Color. Design. Material. Technical requirements such as tensile strength. We develop the perfect solution for your project.

We use acrylic yarns, polyester, and flame-retardant yarns. For indoor use, we also offer viscose, linen, flax, or cotton. The inner core of the cords can be made from recycled material, tensile-stable nylon, or a mix of both.

Gerster Outdoor-Seile. Langlebig. Zugfest. Individuell für Sie entworfen und gefertigt ab einer Mindestbestellmenge von 100 Metern. Abmessungen, Farbe, Design, Material, Zugfestigkeit: Wir entwickeln die perfekte Lösung für Ihr Projekt.

Die Materialien: Acrylgarne, Polyester und flammhemmende Garne. Für den Innenbereich: Viskose, Leinen, Flachs oder Baumwolle. Der Innenkern der Seile kann aus recyceltem Material, zugfestem Nylon oder einer Mischung aus beidem bestehen.

Performance Outdoor Piping

Gerster Piping :: Examples 22-01-33, 19-22-33, 23-01-33 (special wound technology)

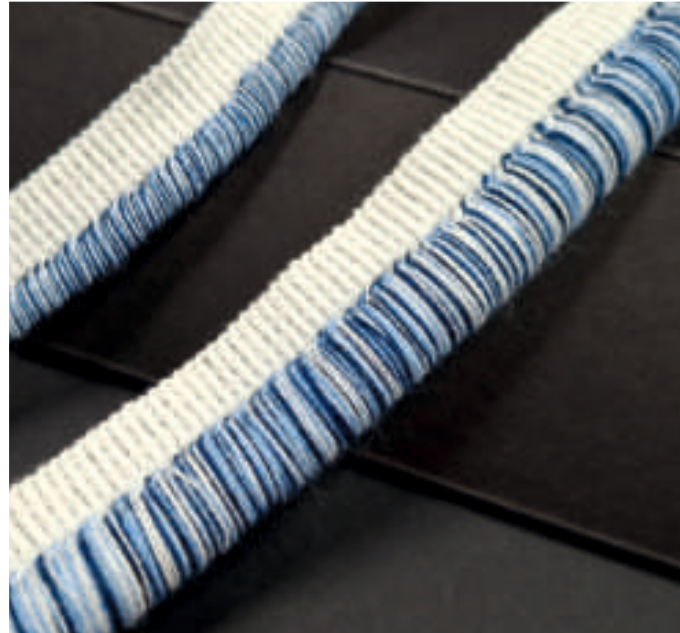

Performance Outdoor Piping

Gerster. The Piping Specialist. Piping, made using five different techniques. Braided. Twisted. Wounded. Crocheted. Woven. This range of technical and creative possibilities is likely unmatched in Europe.

At Gerster, we develop and produce piping for pillows, furniture, decorations, rugs, clothing, and outdoor use. Starting at just 100 meters, we can create custom piping tailored to your exact specifications. Material. Color. Design. Dimensions. We're flexible!

Gerster. Der Keder-Spezialist. Fünf verschiedenen Techniken stehen bereit: Geflochten. Gedreht. Gewickelt. Gehäkelt. Gewebt. Diese Bandbreite an technischen und kreativen Möglichkeiten ist in Europa wohl unübertroffen.

Bei Gerster entwickeln und produzieren wir Keder für Kissen, Möbel, Dekorationen, Teppiche, Kleidung und den Außenbereich. Bereits ab 100 Metern fertigen wir maßgeschneiderte Keder nach Ihren genauen Vorgaben. Material. Farbe. Design. Maße. Wir sind flexibel!

Crocheted Performance Outdoor Tapes

Gerster Tape Samples 24-20-11, Performance Outdoor Acrylic

Crocheted Performance Outdoor Tapes

On our more than 30 Gerster crochet galon machines, we produce not only fringes and effilées but also crocheted tapes and ribbons.

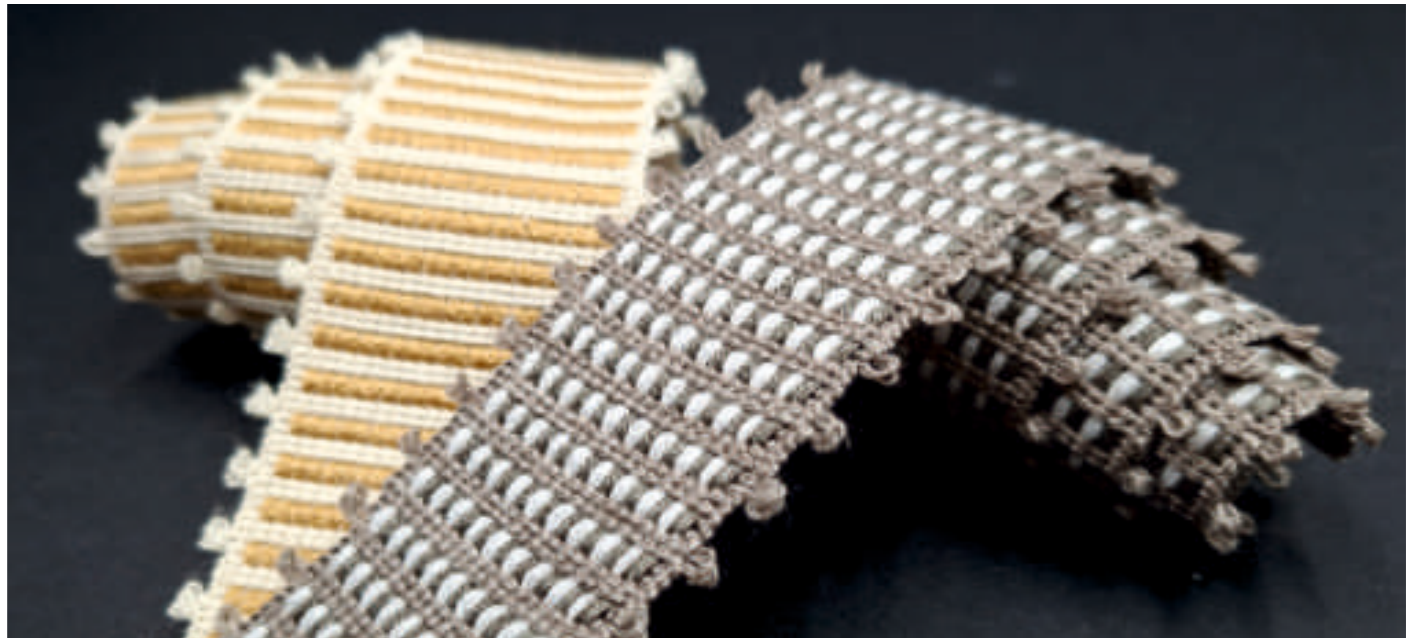

This technique allows us to create highly creative and unique designs. The photos provide a good impression of this. Whether airy and delicate or very firm and sturdy—the possibilities of the crochet galon technique are extremely versatile.

Samples 20-13-11, Performance Outdoor Acrylic

Auf unseren mehr als 30 Gerster-Häkelgalonmaschinen stellen wir nicht nur Fransen und Effilées her, sondern auch gehäkelte Bänder und Gurte.

Diese Technik ermöglicht es uns, äußerst kreative und einzigartige Designs zu kreieren. Die Fotos vermitteln einen guten Eindruck davon. Ob luftig und zart oder sehr fest und robust – die Möglichkeiten der Häkelgalon-Technik sind äußerst vielseitig.

Crossed Tape Surfaces

Outdoor carpet made from 90mm-wide tapes with an adhesive backing :: Maximum size: 3x5 meters :: Co-produced by Gerster Biberach and Gerster Poland.

Crossed Tape Surfaces

With our second company Gerster Poland, we can "weave" entire surfaces from tapes and cords. Carpets, outdoor or indoor. Cushion. Bags. Wall design. Table Linen. Room divider.

The application possibilities are just as versatile as the design possibilities. The versatile options inspire you? Please feel free to contact us!
